FOREWORD

In the year 1969, the hundredth anniversary, the Town of Tilton wishes to dedicate this Town Report to the memory of its founder Charles E. Tilton, on behalf of his living heirs Charles E. Tilton III, S. Webb Tilton, and Glenna Tilton Felson.

Citizens of Tilton

Tilton one-hundred years later

During the week of August 10 through 17 Tilton celebrated its one-hundredth birthday. This week was the climax of many long hours devoted to hard work and planning. We wish to thank the many people who gave their time and services to make this Centennial possible.

At this time a special thanks goes to the committees who had the responsibility of seeing their respective tasks fulfilled. This Committee was headed by Charles Virgin — Chairman, Victoria Virgin — Queen Contest, Catherine Curran — Secretary and Publicity, Herbert Howe — Treasurer, John Rohde and Ken Nash — Coins, Elaine Randall and Carol Stone — Historical Booklet, William Lawrence — Beard Contest, Herbert Harbour — Parade, Alice Brocato and Edgar Clough — Costumes, James Brocato — Souvenirs and Banners, William Converse — Floats, Glen Leis and C. Wilson Place — Centennial Ball, Carole Cunningham and Greg Hanks for their assistance and Charles French and Donald Joscelyn as Advisors.

In appreciation we also want to include the many people who made floats, the bands who participated in the parade, the judges whose task it was to pick the winners in the many events. The fine talent displayed in the Queens Contests and the exceptionally well designed floats made their selection as winners a difficult job.

The fireworks display as the grand finale was something that will long be remembered. We were especially honored having Mrs. Glenna Tilton Felson here to celebrate this occasion. As one of the living heirs of the founder of Tilton we requested that she be a judge in selecting a queen and also in judging the floats.

To the people who picked Tilton to work in and made their homes here these past one hundred years, and are no longer with us, we say thank you for giving us this fine town. With God's help we hope to continue to build a bigger town and to make it prosper. To Hon. Charles E. Tilton we wish that all of us could thank him personally for his many fine deeds and especially for giving us a town which we all are proud of.

SUMMARY OF FINDINGS AND RECOMMENDATIONS

November 25, 1969

Board of Selectmen
Tilton, New Hampshire

Submitted herewith is the report of an examination and audit of the accounts of the Town of Tilton for the fiscal year ended December 31, 1968, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

Scope of Audit

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Library, District Nurse and Recreation Council.

Financial Statements

Comparative Balance Sheets—December 31, 1967- December 31, 1968: (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1967 and December 31, 1968, are presented in Exhibit A-1. As indicated therein, the Surplus increased by $23,-751.70 in 1968.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of

the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures — Estimated and Actual Revenues: (Exhibits A-3 & A-4)

As indicated by the budget summary (Exhibit A-4), a net unexpended balance of appropriations of $17,038.21, plus a revenue surplus of $11,647.14, resulted in a net budget surplus of $28,685.35.

Other Special Activities Accounts: (Exhibits F-1, F-2, G-1, & G-2)

Statements of the activity in the Tilton-Northfield District Nurse Association and Tilton-Northfield Recreation Council Accounts are presented in the above Exhibits.

Audit Procedure

The accounts and records of all Town officials charged with the custody, receipt and disbursement of public

funds were examined and audited Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks.

General Comments

Our examination of the Selectmen's records revealed several deficiencies in the handling of the prudential affairs of the town. We list below the various deficiencies noted during the course of our audit.

1) The Tax Collector was committed property taxes in excess of budgetary requirements of $5,861.13. We compared the Selectmen's invoice and assessment records with the property tax warrant book and found that the Dining Room, Dormitory and Kitchen exemption of 150,000.00 of assessed valuation allowed the Tilton School was not reflected in the assessment book. Therefore, the taxes were computed on the gross valuation. This amounted to $5,040.00 as part of the total excess commitment. We have carried this amount forward in "Overlay" at the end of 1968, to cover the abatement issued to Tilton School in 1969.

2) There were additional errors made in the assessment records which had the effect of decreasing the net valuation on which the tax rate is computed by $13,-150.00. This amounted to $441.84 of property taxes due to the Town.

3) The Selectmen failed to commit to the Tax Collector the yield taxes assessed as of April 1, 1968. In this connection, attention is called to the law which requires the Selectmen to commit a warrant to the Tax

Collector for such taxes on or before July 1 of each year of assessment. We have instructed the Selectmen to commit the 1968 yield taxes to the Tax Collector at once in order that she may proceed in billing immediately. Also, any National Bank Stock Taxes assessed should be committed to the Tax Collector for collection.

4) The Town paid the state $56.76 representing its share of the 1968 yield tax assessment. The law states that the Town shall pay to the State Treasurer in January only such taxes *collected* during the preceding year. Inasmuch as these taxes were not collected, the state's share should not have been paid. However, it was noted an amount of $39.49 due the state on account of yield taxes collected in 1967, has not as yet been remitted to the state treasurer.

5) Employees social security, withholding taxes and police retirement deductions for the second, third and fourth quarters of 1968, amounting to $4,881.47, were not paid until February 1969. The Town's share of social security and police retirement amounted to $1,-868.60. The total amount owed December 31, 1968 is reflected on the balance sheet.

6) It has been the practice to record payrolls net in the Selectmen's book and to distribute to the proper appropriation the employees share at the time the quarterly payroll deductions are paid. However, we noted that in February 1969, the entire amount of payroll deductions paid (both employee and Town's share) is shown under the "Retirement and Social Security" column in the Selectmen's book. If this practice of recording quarterly payroll deductions payments were to continue, the Retirement and Social Security appropriation would show a considerable overdraft at the end of the year. The "Retirement and Social Security" column should be used to record *only the Town's share* of retirement and social security taxes paid in order to reflect

the actual cost for the year against the appropriation for that year.

7) It is noted that the Town has outstanding temporary loans in anticipation of taxes in the amount of $250,000.00 at the end of 1968. Included in this figure is $100,000.00 carried over from 1967. Attention is called to RSA 33:7 of the Municipal Finance Act which states that tax anticipation notes shall be payable not later than one year from their date of issue.

Tax Collector:

An extensive review of the Tax Collector's records revealed that the books of accounts required for this office were adequately maintained by the Tax Collector in office since May 1, 1968. It was noted, however, that the Tax Collector did not list and sell at the tax sale held on September 30, 1968 the real estate of some taxpayers whose taxes (property, poll & head) of the levies of 1967 had not been paid. In this connection, attention is called to the law which requires that all real estate upon which there is delinquent taxes shall be advertised and sold at a Collector's sale before the date on which the Town's lien expires, ie., — one year from October 1st following the date of assessment. The Collector and the company which issues the surety bond become liable for any taxes lost through failure to enforce collection by prescribed tax sale procedure.

The balance sheet of the Town lists unredeemed property taxes for 1965 and prior amounting to $3,-556.58, all of which should be deeded to the Town.

Town Clerk:

We examined in detail the Town Clerk's records, in particular the motor vehicle registrations. All the motor vehicle permits issued were checked to the cash book.

The cash book was then footed for the entire year to arrive at the total collections in 1968. As shown in our reconciliation of the Town Clerk's accounts (Exhibit D), there is an amount of $298.94 due the Town at December 31, 1968 on account of unremitted motor vehicle fees.

We extended our audit of the Town Clerk's accounts to cover the period from January 1, 1969 thru October 13, 1969. At that date the amount due from the Town Clerk on account of unremitted motor vehicle fees had not been paid but rather had increased. In summary, for the period January 1, 1968 thru October 13, 1969 there is an amount of $316.40 due the Town on account of motor vehicle permit fees collected — not remitted.

Our examination included checking the extensions (makers list price times the proper mill rate to arrive at the amount chargeable) on all the motor vehicle permits issued in 1968. We found that out of 2,118 permits issued, there were 354 or approximately 17 per cent that were issued incorrectly. The loss of revenue to the Town on account of the 1968 permits issued incorrectly was $301.26. It should be noted that this amount is not reflected in the amount due from the Town Clerk at December 31, 1968, as we used in our reconciliation of the Town Clerk's accounts only the amount of money actually recorded as being received from the permits. These deficiencies should be corrected.

Trust Funds:

Our audit of the trust funds of the Town included the inspection of savings bank books held by the trustees. We noted a net difference of $37.15 between what was listed in the 1968 Town Report and the actual amount of cash held in the savings accounts at December 31, 1968.

Over the years, the trustees have failed to properly record the purchase and sale of capital stock in each fund as required. Because of this, we are unable to express an opinion as to the stated amount of fund balances in the custody of the trustees at December 31, 1968.

We recommend that the Trustees review the stock transactions in each fund and reflect the necessary corrections in the 1969 "Report of Trust Funds" to be filed with this Division.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the town. This letter of transmittal should be published in its entirety but the publication of Exhibits is optional.

We extend our thanks to the officials of the Town of Tilton for their assistance during the course of the audit.

Yours very truly,

O. MAURICE OLESON

TILTON CENTENNIAL INC.

I wish to thank the people of our town for their excellent participation, enthusiasm and backing during our 100th anniversary. It was a joy to work with my fine committee and seeing the town "become one". If we could do it for one week, we should be able to do it for 52 weeks. I enjoyed being Chairman and, again, extend my appreciation to all of my friends in the 100 year old Town of Tilton.

REPORT OF POLICE CHIEF

Your Police Department must once again report an increase in criminal activities. Criminal investigations rose 32 percent over 1968. It is equally disturbing to note a 239 percent increase in criminal arrests. This includes more felony cases in Superior Court during the year than during the five previous years combined. We were once able to state that Tilton had gone over two years without a business establishment being burglarized. This year, however, ten of them were broken into. We were able to solve nine of these breaks. Our clearance rate, in fact, for all criminal offenses remains much higher than the national average.

Many of our problems are the same as those of other communities: the increase in the number of business establishments, increasing population, a more mobile society, and a rising crime rate everywhere. Tilton's problem is compounded by the Interstate highway going through our town. Exit 20 has become a major intersection within the state and it brings many undesirable persons into town. One example occurred during the summer when two Massachusetts men drove into town and broke into the Tilton Pharmacy, taking money and a quantity of narcotics. Many of our problems also stem from our being situated between two cities. As the undesirable element travels through Tilton to the larger communities they are often attracted to the commission of crimes in our town. It is interesting to note that the vast majority of the felonies were committed by people from out of town.

The department's efforts have been directed toward a constant review of our operations, improving patrol procedures and investigative techniques, up-dating of equipment and continuous training. Every regular officer is presently attending college in pursuit of a degree in law enforcement. A noticeable improvement this

year was in our communications system, which has enabled us to respond to calls much more rapidly than in the past.

The efficient operation of the department reflects a team effort. We cannot, however, do it alone. We need YOU on the team. Tilton is YOUR town and we are YOUR Police Department. Our effectiveness is governed by each citizen of the community. We don't need the other person's help, we need YOURS! When you see something, when you hear something, when you know something, TELL US! Small bits of information are what give us the big "break." Recently a concerned citizen reported smoke coming from the chimney of a camp he felt should not be occupied. The officers checked the camp and apprehended two out-of-state juveniles who had just broken into several other camps as well. YOU can contribute to the efficiency of YOUR Police Department as each of us attempts to make Tilton a better community in which to live.

REPORT OF THE PLANNING BOARD

Upon the resignation of Mr. Richard Wadleigh, chairman since the Planning Board was created in 1965, new appointments were made to fill the seven member quota. This new board started functioning April 10, 1969 assisted at its first meeting by Mr. Wadleigh, who briefed the new board of the past board's efforts and informatively advanced the new board into the basic study of initiating a Tilton Master Plan.

This Comprehensive Plan now bears a greater importance to our Town today than ever was imparted to it, in purpose and intent, as was well set forth in Mr. Wadleigh's 1966 Planning Board Report. Federal and State requirements necessitating the complete overhaul of Tilton's sewage system, plus newer legislation in Air Pollution Control and necessities, is placing a tremendous burden on Tilton. Master Planning will not only aid to set guidelines for the extent of sewage planning and the investment that will be necessary, for Tilton's potential growth, in the near future years, but most important, the money aid from State and Federal funds for this work has a special monetary bonus for those progressive towns who are working a Master Plan. At the moment, a developed Comprehensive Plan would mean an additional five per cent in Federal Aid toward our total cost of the sewage system, a total of 95% in aid. This could well mean a substantial sum of monies that the Tilton tax payer would not have to shoulder.

This is the Tilton Planning Board's goal today: a worthy Master Plan for Tilton's tomorrow, but first, with keen regard for the tax payer of Tilton.

Toward the Master Plan goal, the Planning Board has now applications in to the State for State and Federal assistance. Field work is now being done on the Official Map, zoning regulation, land control, and area study;

all little bits that will eventually integrate in to the Master Plan. Many work sessions were held, consultations with State Planners and engineering firms, interrogations to Senator McIntyre, State Department of Resources and Economic Development, Regional Planning and other agencies, in the effort of acquainting ourselves in the work of planning.

Thus, with the gained proficiency we hope to be able to portray the importance of this work to all, gain assistance, comprehension and support from all, that we may all enjoy a better Tilton.

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Less fortunate than our northern towns, we had too many fires. Carelessness in burning trash and discarding smoking material and children playing with fire caused most of the fires. Your Forest Fire Warden's Job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follows:

Fire Permit

A **fire permit** is needed for all outdoor fires in or near woodlands anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be **prior to 9:00 a.m. and after 5:00 p.m.**

Exceptions

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

Penalties

1. For kindling a fire without a permit. Maximum of $200.00 fine; or imprisonment for not more than 60 days.

2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is $500.00 or one year's imprisonment.

3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.

4. For dropping inflammable material in or near woodland, maximum fine is $25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.

TILTON-NORTHFIELD RECREATION COUNCIL

1969 Annual Report

The conclusion of 1969 terminated the 14th year of the Recreation Council's programmed activities. During the non-summer months, the center (over the Tilton Town Hall), was open Monday through Friday (except Thursday) evenings from 6:00 to 9:00 p.m. Boys and girls from junior grades could attend from 6:00 to 7:30 p.m., senior grades from 7:30 to 9:00 p.m. During the spring, various tournaments were held among the center attendants involving indoor games and contests.

The Babe Ruth ball team is in the Laconia League. They were completely outfitted with uniforms on behalf of the A. S. Brown Company. They were a smart looking group, which goes a long way as a morale factor.

A swimming program involving two (4) week sessions was successful for another year. The courses ranged from beginners to junior lifesavers. Certificates were awarded for completion of various tests at each level, as outlined by the American Red Cross.

The playground program was scheduled for a seven week period. Various arts and crafts were taught in addition to short trips to the pond, J. Donellon's golf range, and the Animal Farm in Laconia. Nature walks, various outdoor games, and athletic events were also part of the program.

Another successful trip to Boston, for a Red Sox game was a further highlight toward summer's end. On this trip, the group also visited the Boston Aquarium.

The "Neighborhood Youth Corps," a federally funded youth program was undertaken again this year. Nine teenagers from town, meeting specific require-

ments, were supervised by the Recreation Council, working on community projects. They helped us with the Playground program. We hope to have an opportunity to apply again in '70.

The Teen Council in addition to the movies, also donated a new pool table (to be purchased). The Teen Council held its regular meetings on Monday evenings at 7 p.m. They sponsored dances, parties, and movies. They also donated some of their funds to other town projects, including a scholarship.

Our thanks go to all the individuals and groups who have helped in various ways throughout the year to maintain a year round program. We are grateful to the taxpayers for their support, enabling the council to provide activities, which in one way, help mold young citizens.
